

ILU-Code Certificate

The INTERNATIONAL UNION OF ROAD-RAIL COMBINED TRANSPORT COMPANIES, as the ILU-Code Administrator, in accordance with the European standard EN13044-1 and the General conditions of the ILU-Code allocation, hereby certifies that

The ILU-Code Owner-Key

has been duly assigned to:

EFFIMODAL SIA
11 Ilukstes
1073 Riga
Latvia

The Code-Holder is entitled to mark all his intermodal loading units used within the European region (except ISO-Containers) according to the European standard EN13304-1.

The ILU-Code is valid until: **05.10.2025**

In order to ensure the validity of the code, the Code-Holder should request its renewal in good time before the code expiry.

Any change in the company address should be notified without delay to UIRR.

All communication should take place electronically through the Internet: www.ilu-code.eu.

Brussels, 05.10.2023

Certificate issued by:

A handwritten signature in blue ink, consisting of a stylized cursive script.
