

LATVIAN DUAL USE EXPORT FORUM 2026

September **6–7**, 2026
Rēzekne, Latvia

Dual-use technology, defence innovation, and resilient supply chains are now strategic priorities across Europe. The forum brings together Latvian and international companies, defence stakeholders, government institutions, investors, and NATO/EU system integrators for two days of demonstrations, expert exchange, and structured matchmaking, building on the strong foundation established in 2025.

WHY ATTEND

- Meet potential customers, partners, suppliers, investors, and NATO/EU system integrators in one place.
- Position your capabilities to establish new collaborations.
- Expert panels on dual-use exports and the direction of the defence industry.
- Live technology demonstrations, an EXPO area, and curated networking.
